## Havana

Old Havana (Habana Vieja)

By: Alexandra Burešová

## -History-

History about the country:

The history of Cuba began with the arrival of Christopher Columbus in 1492. Cuban society was limited and Spanish culture, institutions and language. Colonial society developed slowly after Spain colonized the island in the sixteenth and seventeenth centuries.

History about the capital city:

Havana was found in the sixteenth century. The city is the centre of the Cuban government, and home to various ministries. The current governor is Reinaldo Garcia Zapata. Contemporary Havana can be described as three cities in one: Old Havana, Vedado and the newer suburban districts.
